Vendor Application and Agreement

Thank you for your interest in participating at Solvang Faeriefest as a vendor! Our festival attracts families, fantasy, and myth enthusiasts from all over California.

Merchandise must:

- A) Relate to fantasy, sustainability, magic, holistic healing, folklore, or art.
- B) Feature mainly handmade items, costuming, and one-of-a-kind items.

Games and activities

We welcome anybody who wishes to host a game or activity, such as fortune-telling, aim games, floral or fiber arts, etc. Carnival games are welcome as long as the booth and costuming is styled according to the theme of the event.

Booth and participant guidelines

Costumes are required in order to participate. Renaissance, steampunk, mediaeval, fairy, gypsy, ethnic, theatrical, and most fantasy or historically-inspired costumes are welcome. Street and everyday clothes are not acceptable. Modern-looking booths should also be disguised or decorated to look like they belong in a fairy village. An easy way to fairy-up a booth is to throw tapestries, wall hangings, or decorative fabric over the pop up tent and plastic tables. Wrapping garlands and greenery around rods and supporting legs also help. Don't hesitate to contact us if you have any questions.
